

LET'S FINISH IT!

**BACK THE 6TH WAR LOAN
... AND HELP DEFEAT JAPAN!**

REMEMBER the gaping holds of ships sunk without warning at Pearl Harbor? Remember, too, the men killed during the infamous sneak attack? This is the fight that *Japan* started... the fight that *we're* out to finish!

Don't fool yourself, the Japs are tough. It will take long, bitter, costly fighting to blast them out. It will take new and specialized equipment. B-29 Superfortresses... amphibious tanks... airplane carriers... P-47 Thunderbolts and new secret weapons. And a veritable *Niagara* of oil and gasoline!

Your War Bonds helped train and feed and equip the American armies that smashed through at St. Lo... Nancy... Sedan. Yes... your War Bonds are helping to win the *Battle of Europe*. But now how about the *Battle of Japan*?

The job is big—you've got to dig!

It costs billions of dollars a month to fight the *Battle of Japan*. The money *must* come from every patriotic American. It's an investment in America—your future. That's why you are asked once again—in this great battle for final Victory—to buy *your* extra \$100 Bond *today*.

And here are 6 more reasons for buying at least an extra \$100 WAR BOND in the 6th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 at maturity.
3. War Bonds are as convenient as cash—and increase in value to boot!
4. War Bonds mean education for your children, security for you.
5. War Bonds help keep down the cost-of-living.
6. War Bonds will help win the Peace by increasing postwar purchasing power.

**Varied Programs
In Store for
High School**

By EUNICE ABRAMSON
A broadcast will be presented from the high school auditorium on Wednesday afternoon, January 3. It will be that very interesting program, "This Changing World," and will be broadcast after a talk by Harrison Wood, the commentator on the program, to the students of the high school. The talk will be supplemented by a panel consisting of members of the Senior High student body.

The high school auditorium will be specially wired for the broadcast which should prove to be an interesting as well as educational experience.

To Be Entertained
For the purpose of promoting a better understanding between the high school and the elementary schools, the principals and A-6 teachers of Torrance Elementary, Fern Avenue and Carson Street schools will be entertained at a luncheon at Torrance High on Tuesday, December 5, at 12:30 p.m.

Food, Health Program
On Tuesday, November 28 and Wednesday, November 29, assemblies were held in the high school auditorium. The programs consisted of two skits performed by members of the Home Service department of the Southern California Gas Company.

This playlet entitled "Look Who's Cookin'" has been presented in many schools throughout Southern California during the past year. The story of the seven basic food groups and their relation to good health was shown in an entertaining and informal manner.

On Tuesday the Basic Seven Groups were explained in detail and amusing illustrations were shown to describe the daily food requirements.

On Wednesday ideas for box lunches and healthful dinners were presented. On the stage of the auditorium an oven dinner consisting of a roast, baked potatoes, steamed carrots, and lemon pudding was prepared to demonstrate the ease of cooking.

Double assemblies were held both Tuesday and Wednesday, the Junior High and the Senior High being separated. Torrance High thanks very sincerely the Home Service department of the Southern California Gas Company.

Sweaters and Rings
The Tartar Lady organization is very proud of the sweaters by which the members can be distinguished. The white V-neck sleeveless sweaters with the maroon letters are very attractive and go well with the Tartar Knights' sweaters which are maroon with a white emblem.

Another set of sweaters which deserves attention is the group of Senior B sweaters which arrived last Wednesday. They are R.A.F. blue with a blue and white emblem consisting of a torch entwined by the letter S and the number 45. To go with the sweaters, those fortunate Senior B's got very nice looking class rings. A few members of the class got pins, but most of them have the rings which many people say are the nicest yet seen at Torrance High. Those lucky Senior B's.

"HELLCAT"
The M-18 tank destroyer, the Ninth Service Command Ordnance officer, Fort Douglas, Utah, said today, is called a "Hellcat."
